

IN STUDIO LESSONS - COVID PRECAUTIONS AND UPDATES

STAGGERED LESSON TIMES

Lesson times will begin in 5-min intervals to limit entrance and hallway interactions between students.

STUDIO LOUNGE CLOSED UNTIL FURTHER NOTICE

The Lounge Area will no longer be available as a Waiting Space. Instead, this space will be used for our MusikGarten Classes & Band Rehearsals to allow for social distancing in learning. Parents are encouraged to wait in their cars.

SANITATION PRACTICES & POLICIES

All students will be required to thoroughly wash their hands before heading into their lessons. All rooms will have hand sanitizer for use during and after class. Additionally, rooms will be disinfected between students.

ILLNESS POLICY

Share music, not germs! Students displaying any symptoms of cold, flu, or Covid should remain home. All students should be fever free for at least 72 hours before returning to the studio for lessons. If a student comes to lessons and displays illness symptoms, our teachers and staff have the right to send the student home.

HYBRID LEARNING

Texas Amps & Axes will follow the Hybrid Learning structure adopted by Prosper ISD. Students who are unwell but wanting to have their regular lesson will be offered the option to attend virtually. Teachers will have the discretion to move their lessons digitally when absolutely necessary.

MASKS & FACIAL COVERINGS

Students & Parents are requested to wear facial coverings or masks at time of entrance, in common areas and hallways. Masks may be removed within classrooms at the teacher's discretion and as needed for their instruments.
